"GOOD FAITH" REQUEST FOR REVIEW OF PTA DETERMINATION

Honorable Commissioner:

Issued U.S. Patent 7,832,968 shows a Patent Term Adjustment (PTA) of 642 days. That may be incorrect, because it may not properly account for the full PTA reduction running from our filing of a Supplemental Declaration on September 28, 2010 until issuance of the patent on November 16, 2010. The Supplemental Notice of Allowability issued on October 13, 2010 was not a USPTO reply to the Supplemental Declaration.

Respectfully submitted,

WFF:ks/4930
